Sponsorship Opportunities

2019-2020 School Year

Prairie Music Association (PMA) is pleased to offer you this opportunity to feature your business at one of its many, high quality musical performances during the 2019-2020 school year. PMA estimates that more than 30,000 people attended musical programs during the last school year.

This is a wonderful opportunity for you to highlight your business in a positive way and reach a very supportive audience. As the District grows and enrollment continues to climb, your sponsorship reach will also increase.
