It takes literally hundreds of people each year to make all of Prairie's music opportunities happen. If you can give the gift of your time, even once, you are making the kind of contribution your children and their schools will never forget. There are many perks to working with a great group of parents and students. Thank you for helping when and where you can!

****Selecting interests on the form does not commit you to those roles. PMA Board, Directors, and/or Event Chairs will contact you with more information. Students can earn volunteer hours towards receiving graduation rope.**
